### **For accessible parking, or for short-term (15 minute) visits:**

Enter the campus from Main St. (NY Rt. 5). The entry is between Bailey Ave. (US Rt. 62) and Niagara Falls Blvd. The Main St. entrance is a busy place, and home to a major Bus and Light Rail Commuter Station. On Main St. (NY Rt. 5), depending on the direction you are coming from, make a left or right onto Main Circle Road. You'll notice a University at Buffalo sign that marks the entrance, which surrounds the Commuter Station Bus Loop and is directly across the street from Wendy's and Subway. Follow Main Circle Road to the first stop sign and turn right onto Hayes Road. Take the first left onto the Service and Deliveries road between the two block buildings, Crosby and Hayes Halls. The Service and Deliveries road leads to a parking area for 15-minute parking and accessible parking. The IDeA Center is located in the closest beige metal building (Hayes Annex A). The main entrance is on the right side of the building.

### **If you do not need accessible parking and plan on staying longer than 15 minutes:**

Enter the campus from Bailey Ave. (US Rt. 62) by making a left or right (depending on the direction from which you are coming) on Coal Rd. The Bailey Entrance is almost directly across the street from the VA Hospital entrance loop. Parking will be in the lot on the right (Sherman Lot).

Please be advised that between 7 AM and 4 PM, you will need a parking permit. Just phone us or send an e-mail and we will send a visitor parking tag for the date you plan to visit. Alternatively, you could follow the instructions for short-term parking, retrieve the permit, and then move to the other

lot. The IDeA Center is located in Hayes Annex A. Walking, continue along Coal Rd. Coal Rd. enters into a Faculty/Staff parking lot. Follow the sidewalk to the left, around the parking lot. Once past the parking lot (a brick building with semi-circular auditorium will be on the right), you will be approaching a beige metal building on the left with a sign reading “Hayes A.” Turn left on the next sidewalk, then turn right to access the main entry.

Pedestrian maps are located at various points throughout the campus, should you need one.
